THE WORLD IS TEMPORARILY CLOSED

CORONAVIRUS STAY AT HOME SAVE LIVES

- Anyone can spread Coronavirus. The only reasons to leave home are:
- To shop for basic necessities or pick up medicine
 - To travel to work when you absolutely cannot work from home
 - To exercise once a day, alone or with members of your household
 - Do not meet others, even friends or family

Advantage Surgical and Wound Care Is Committed to Providing Essential Services

On behalf of everyone at Advantage Surgical and Wound Care, our hearts go out to all those impacted by COVID-19. In order to provide essential care to the LTC community safely and efficiently, we are closely monitoring and following the latest guidance from local and state Departments of Health, the Centers for Disease Control and Prevention (CDC), Center for Medicare and Medicaid Services (CMS) and the World Health Organization (WHO). We are maintaining our business operations and taking the necessary preventative measures to manage the situation as it evolves.

Our providers are taking significant precautions, based on CDC guidelines, to continue providing in-person examinations and treatment to the most vulnerable population. However, with the realization that many locations are under quarantine, we also offer "Virtual" patient visits via our Telemedicine platform in the event that in-person visits are interrupted. As a market leader, we strive to adapt to the changing landscape for us to be your continued resource and trusted partner.

Should Telemedicine be the best solution for your location, please contact us to make arrangements for these services to your patients.

We will continue to monitor any reports or requirements from the CDC and local, state and federal governments. As we adapt to the rapidly changing landscape across the nation, you can expect additional communications from us regarding service, additional preparedness efforts, and other critical information.

As always, if you have any questions, concerns, or encounter any additional extraordinary circumstances regarding this situation, please reach out directly to us so we can continue to be of service. We are committed to supporting you, your residents, and remaining your trusted provider as we navigate this unprecedented chapter together.

Stay Safe and Best Regards,
Advantage Surgical and Wound Care
